From the Principal…

With just a few more days until the end of term, I’d like to congratulate everyone for another wonderful term…...Our gorgeous Prep students celebrated 100 Days of Prep, a wonderful achievement for them and their families; our year 1/2 students’ study focus around the Olympic Games, the history of the Games, and countries and continents associated with the Games; our Year 3/4 students enjoyed their camp to Sovereign Hill, their first night away from their families for some; our Year 5/6 students proving huge successes through their Social Enterprise Program, excelling in their development of empathy, compassion and ways to help others; our Physical Education various clinics – hockey, basketball, rugby, with more to come next term; our Parents & Friends Team success from our Trivia Night and Father’s Day Stall; the many little visitors we’ve welcomed for Kindy Time sessions, as well as the many families who have toured our wonderful school. Also, our whole school excursion to the MCG to celebrate the Olympic Games, our whole school First Aid in Schools program, Science Week Family Science and Showcase Evenings, District Athletics, rehearsing for our whole school concert coming up, and many more ways our students have enjoyed being involved in our school this term. I am sure all of our students (and their families) will welcome the two week holiday break to shake off those nasty colds, rest up and (hopefully) enjoy some sunshine, ready and rested for the start of Term 4 on Monday, 3rd October.

I would like to extend my gratitude to those who have supported our Team in Relay for Life. Staff involved in the team walked from 1.00pm on Saturday, through the night, to 10.00am on Sunday, and with aches, pains and a few funny stories to share wobbled into school on Monday with smiles on their faces, extremely pleased with the money they were able to raise towards The Cancer Council Charity. Thank you to those families who joined us for a cuppa at Gloria Jeans Polaris on Monday, to contribute towards our Team. Also, gold coin donations from our Out of Uniform (footy/sports theme) day this Friday will go towards our team. We will share the final amount raised for this charity event early next term.

Monday night’s visit from Mike Larkin, from Channel 10, was very exciting, with many students and their families coming along. My thanks to Michele, Richard, Bert, Drew, Briana, Gayle and Deb for their help with the sausage sizzle and packing up. If you missed our school on Channel 10 you can catch it on our Facebook page.

I’m sure Mrs Newell, in the thick of School Concert preparation, will welcome the two week break. She has been working exceptionally hard with our students to prepare them for what will be a fantastic performance on Tuesday 8th November. Please look out for concert ticket information and order forms which will go out during the first week back, which will have a short turnaround. Please remember, our notices are sent home with students, as well as sent out through our Classroom Reps, and on our School App.

I’d like to take this opportunity to wish all of our students, families and staff a wonderful two week holiday break. Please be safe as we all enjoy some beautiful Spring weather. Hopefully this break will give all a chance to recover from the winter coughs and colds, and we will return refreshed and ready for the last term of the year.

Enjoy your holidays!

Lee Pollard

Canteen

Thank you, once again, to the parent/carer & grandparent volunteers who have assisted in the canteen this term. Without your help it would be difficult to continue running the canteen as successfully as we do.

We hope all the children enjoy a sausage in bread this Friday to celebrate the Football Finals and sport in general. Thank you to the helpers who will be assisting this Canteen Treat day. Normal Canteen lunch orders are available this day.
Performing Arts – Nerida Newell
Our Production is less than two months away and all of the students are doing a fantastic job to remember their dance steps. We managed to get through our concert photos yesterday and this morning, thanks to all the staff and students for their patience. A huge thanks for Mr Cass and Ashley for their brilliant photography, as well as Tania, Sarah and Deb, for their continued support and assistance with costuming, amongst other things. Please continue to check with your child regarding permission/information notices being sent home. Concert tickets will go on sale in the first few weeks of next Term with an information/order form going home the first day of school. I urge all parents to be sure to check their child’s schoolbag and communication satchels for these forms and, please return signed forms by the due dates provided.

Dear Parents/Caregivers,

**WORLD OF MATHS ROADSHOW**

Numeracy is a compulsory component of our curriculum, and to make numeracy fun and relevant to our students, we have arranged for the World of Maths Roadshow to visit our school. The World of Maths Roadshow is an ideal opportunity for students to see how maths is applied to some real life situations.

More importantly, students will be engaged in hands-on activities that will cater for all ability levels and probe their problem solving skills. It is a highly engaging session which will show the children that Maths can be fun!

For more information visit our website [www.vicworldofmaths.com](http://www.vicworldofmaths.com)

**YEAR LEVEL(S):** Prep – Year 6  
**DATE:** Thursday 15th September  
**COST:** $7.00

Please fill in the slip below and return to school with the **correct money by 8th September**.

**Parents are able to attend, especially with junior grades (at no cost).**

Thank you,

Mrs Heather Neilson

---
