Bundoora Bulletin

From the Principal...

With only a few weeks to go until the end of term, our teachers are busy with testing, conducting assessments and report writing. Our Semester 1 Reports will be sent out in week 2 of next term, followed by our **Parent/Teacher/Student 3-Way Conferences being held on Wednesday 2nd August**. Please keep this day free and look out for further information which will be sent home in the first week of next term.

As was announced during Monday's assembly, our Year 5/6 **Social Enterprise Program**, which has been currently focussed on gaining donations for the Diamond Valley Foodshare, was a huge success. Our Year 5/6 students' initial goal was to reach 1,000 food products which would be donated to this very worthy cause. It was amazing for all those involved to realise they had reached the unexpected amount of over 2,000 food products. We were overwhelmed with the kindness and generosity of our entire school community and are truly grateful for the tremendous amount of donations. Ian from **Diamond Valley Foodshare** attended our assembly to formally receive the donations and it was very touching to see his appreciation.

Our Year 5/6 students have embraced the importance of how our Social Enterprise Program reaches people less fortunate and the wonderful, sometimes simple, things we can do to help others. Last year's Social Enterprise funds bought 4 purpose built wheelchairs for severely handicapped kids in North Bali, as well as providing for education expenses.

We have finished hosting the **RMIT Science** students who conducted science lessons to our students, bringing with them many various science experiments. The RMIT Science Program is one that, while the RMIT Science students gain tremendous experience, our own students thoroughly enjoy and look forward to. My thanks to our Science/STEM Teacher, Miss Jeffries, for coordinating this program.

We provide our students with the skills to become confident and capable global citizens.

Work to remove the decommissioned underground oil tanks has now been completed and I thank our community for their patience whilst work was being undertaken. More excitingly, plans are developing really quickly regarding our **new school facilities**. We have met with the architects, and representatives from DET today to confirm the final Stage 1 plan. Our Architect, Daniel Haskell will present the plan to Council tonight. The process may then take some time before we see any real changes, however we are hoping for construction to begin some time during the December/January holidays. After the plans are approved, we will promote them in a display in our foyer and place them on our website for all to see. Very exciting times ahead!

Our **P&F Team** continue to work tirelessly on, not only raising funds for our school, but creating fun and exciting events for our kids and parents to enjoy. We were thrilled with the success of our recent Book Fair, not only for the fundraising side of it, but to see how excited our students became when they saw the many new books on offer. It is very exciting to announce that our Book Fair sold \$3,317 worth of books and stationery products. Our school will receive a percentage of commission for the Book Fair, which will allow us to begin restocking our take home readers and classroom reading sets. The Entertainment Book is selling well, with many online and digital purchases, as well as hard copy purchases being processed. Our Disco was an outstanding success and heaps of fun for all. The PAC was absolutely pumping out popular songs and the floor was vibrating to the thump of our dance moves. We are so grateful to Julie Taylor for coordinating this event and our ever-popular DJ Cass for his skills. Our fundraising efforts have so far enabled our Performing Arts Program to source a Mixing Desk and Cable box for Performing Arts/Concerts/Discos (\$1300). We hope to be able to boost our take home readers and classroom reading sets enormously by purchasing approximately \$5,000 worth of new reading books, with further funds raising throughout this year.

I am delighted to announce that we have successfully interviewed and appointed our new Visual Arts Teacher. Mrs Penny Allibon comes to us with many years teaching experience, and lots of fantastic creative ideas for our Visual Arts Program. Mrs Allibon has been working as a CRT in our school throughout part of this term and has had the opportunity to meet and get to know our students. We look forward to seeing what creativity flows from our Visual Arts room.

I hope you all enjoy the long weekend!

*Enjoy your week,
Lee Pollard*

Photos from our recent Assemblies.....

Happy Birthday!

Congratulations to our Pupils of the Week!

We provide our students with the skills to become confident and capable global citizens.

Did you miss last week's Monday morning Assembly?

- Cross Country report
- Book Fair success
- Social Enterprise report from Mr Meagher

- Rock Band & Choir Report
- Science Club & Kindy Science

- Whole school incursion
- Disco fun!

....and further reports from our Captains, House Captains reporting on their chosen Value of the week, Birthdays & our School Song.

Pupil of the Week for the week ending: 26th May 2017

GRADE	REASON FOR CITATION	NAME
5/6N	For her brilliant research, planning and presentation in her maths graphing task.	Libby
5/6M	For perseverance when creating graphs and trying to improve his presentation.	Jed
5/6J	For working so well in her scale model house in mathematics.	Kimberly
3/4S	For taking control of his learning and rising to the challenges set for him. Amazing results!	Peleus
3/4N	For your excellent persuasive writing piece! Keep up the great work!	Jenna
3/4B	For using her initiative and helping others.	Emily
1/2S	For being such a kind, caring and thoughtful class member.	James
1/2N	For confidently arranging the months of the year into the correct order. Well done!	Amelie
1/2L	For writing an awesome fairy tale with lots of creative ideas. Keep up the fantastic work!	Stella
1/2B	For always working hard and helping others.	Maddie
Prep T	For being so calm and caring when looking after the new chicks. Well done!	Xavier
Prep D	For being such a superstar at practicing his Magic Words.	Vinul
Science	For challenging herself when explaining experiments and always thinking like a scientist!	Sofia S
Phys. Ed	For continuing striving to improve his soccer skills, showing teamwork and helping other students. Well done James!	James H
Performing Arts	For his dedication and persistence in Performing Arts. He is always helpful and will volunteer when others don't. His skills in music, dance and Auslan are terrific!	Travis
	For the way he participated respectfully this week, joining in with our dance and practicing his recorder. It was great to see him enjoying himself and succeed.	Malcolm

Phys. Ed	For showing incredible resilience during cross country. Well done! Congratulations on your great result!	Emily C
Performing Arts	For always being helpful, enthusiastic and happy in all Performing Arts lessons! Your positive approach to learning is to be admired! Well done!	Innarah H

Performing Arts – Nerida Newell

Grade 3/4 students have made big improvements on recorder this term! They are learning about notes and how to read music and their technique and sound is better every week!

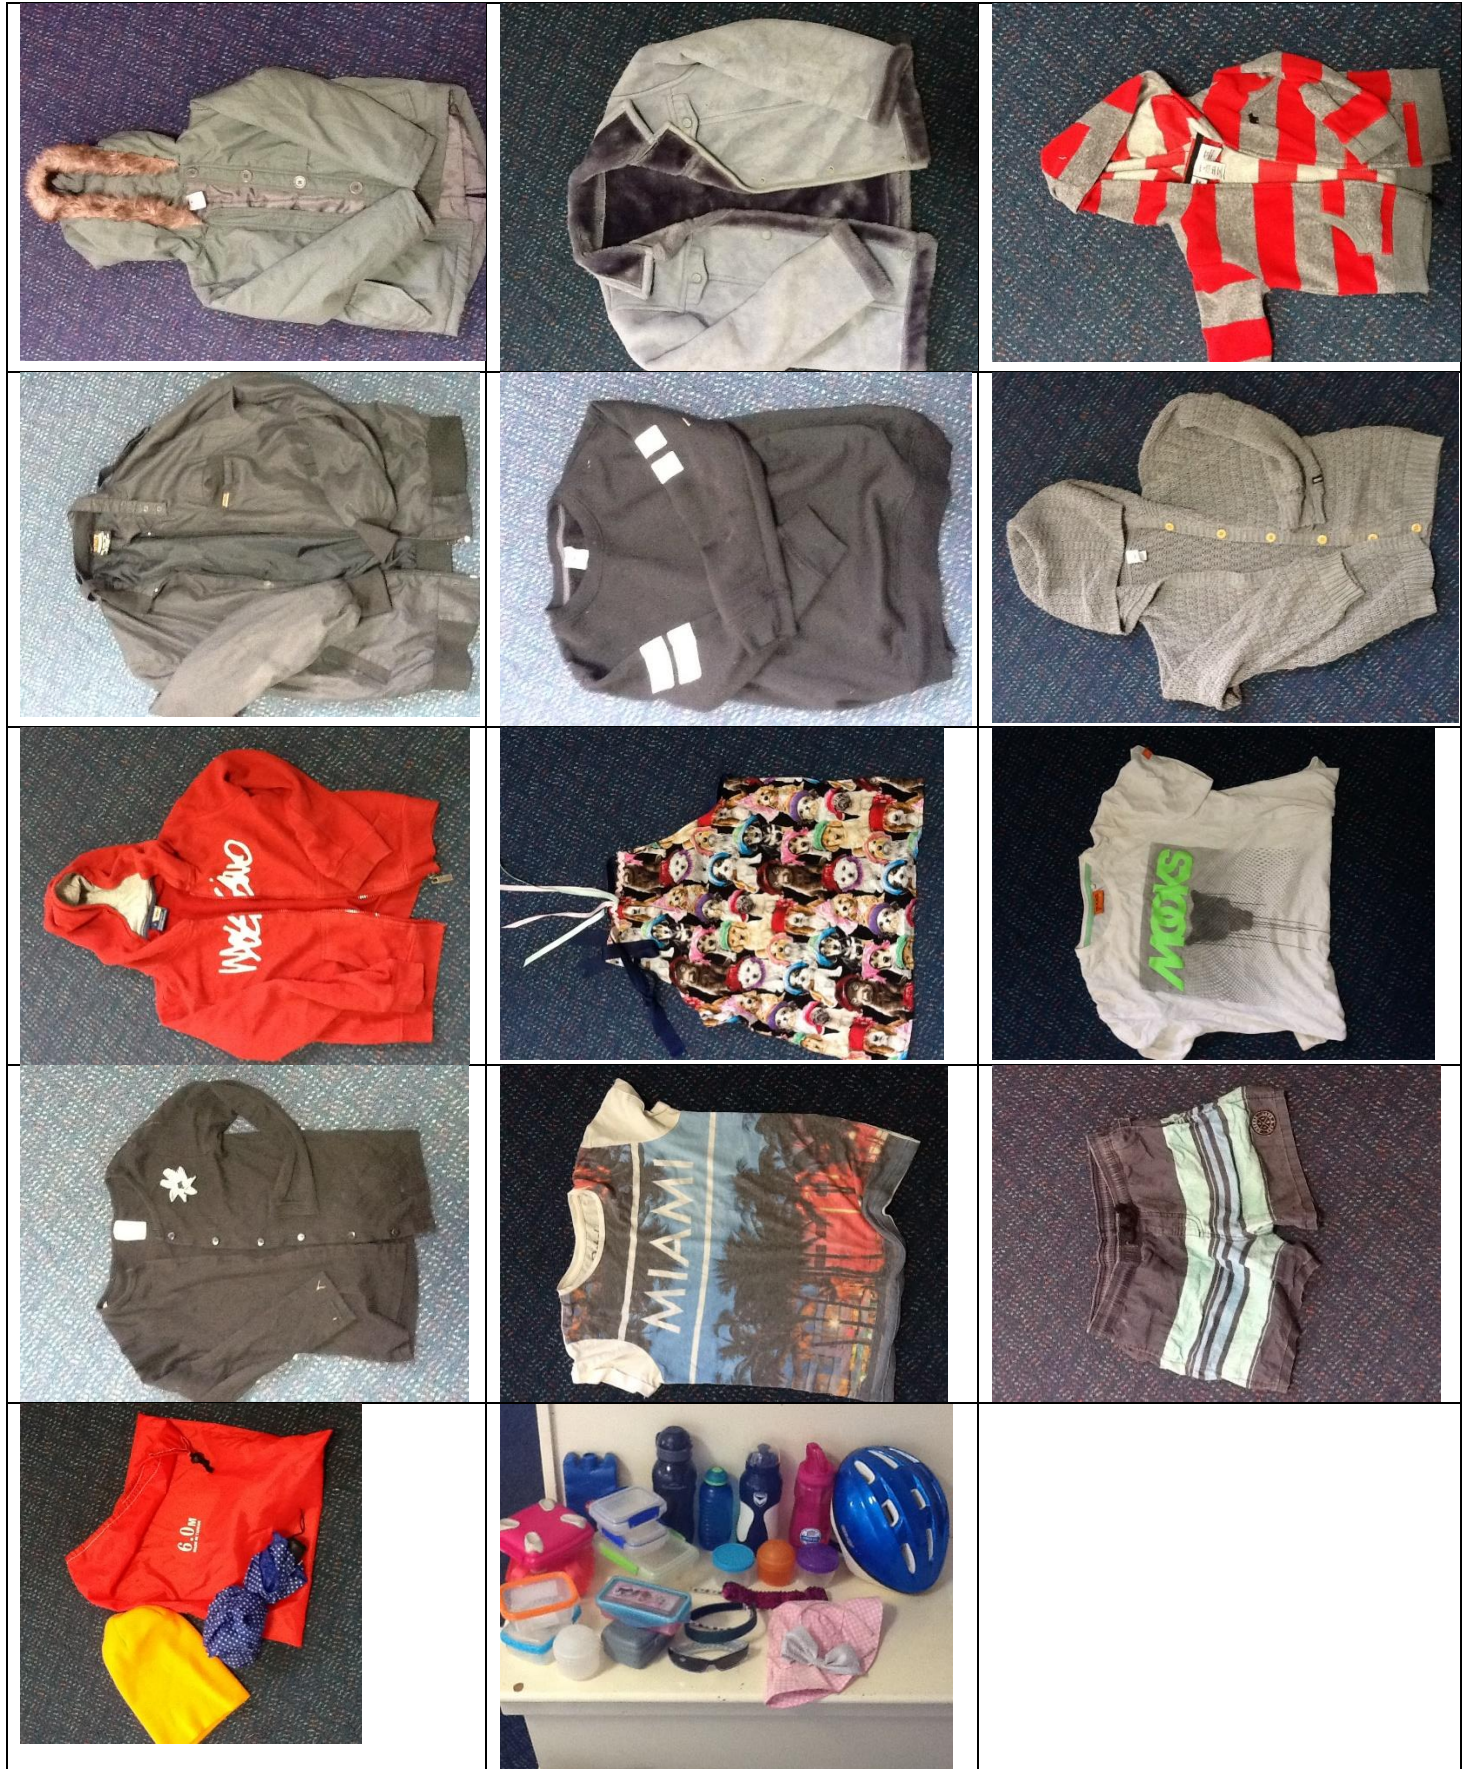

Grade 5/6 students have given me so many "WOW" moments this term! They have all loved playing keyboard and can all play songs and find notes! They should all be very proud of themselves because I'm so proud of THEM!

Lost property.....

We have taken the liberty of sifting through the many garments that have been in our Lost Property bin for quite some time. Photos below will show you the non-uniform items we have (unnamed). If these items are not collected by the end of this term, they will be recycled to the local Op Shop.

Entertainment Book

Bundoora Primary School is pleased to be selling the 1718 Entertainment Memberships as a fundraiser in 2017 – the memberships are now available to **purchase!** You can now choose between the traditional **Entertainment Book** or you can purchase the **Digital Membership** which puts the value of the Entertainment Book into your iPhone or Android smartphone, all for just \$70!

The Entertainment Memberships contain over 800 valuable 2-for-1 and 25% off offers for many of the best restaurants, attractions, hotels and retailers in Melbourne. Each Membership sold raises \$14 for Bundoora Primary School to help us raise much needed funds.

A sample book is available for viewing at our office or you can get more information from this website
