Bundoora Bulletin

From the Principal...

How good was it to see our students and staff dressing up in their PJs and Onesies today? Our JSC (Junior School Council), led by Ms Ridsdale, meet regularly to discuss ways they'd like to improve our school and offer suggestions to raise money for our Social Enterprise Program's chosen charities. Thank you to our students (and staff) for dressing up today and making their donations. It has been a lot of fun!

Our Prep students have celebrated their 100 Days of Prep this week, with lots of different "100" activities. It was fabulous to see so many of our Prep students dress up as a 100 year old, with varying types of costumes, including bow ties, walking sticks and spectacles! Our Year 5/6 Buddies also shared in their celebrations, watching a Prep for a Day presentation and enjoying a yummy 100 food activity. Congratulations to all of our Prep students, their families, and our wonderful Prep teachers on reaching this milestone! We are sure everyone involved enjoyed this very special day!

As instructed by DET, the **2018 Parent Opinion Survey** has now been distributed. We have sent out a link (via email) to computer generated, randomly selected parents to complete the Parent Opinion Survey. Within the email are instructions on how to complete the survey, a brief explanation to assist parents in completing the survey, along with information regarding what the results of the survey are used for. Please note surveys are only sent to certain families, as generated by computer, so not all parents will be required to complete the survey. Surveys must be completed by 26th August 2018. If you have difficulty with the link please contact our office.

Thank you to the many families who have sent back the \$50.00 payment for their box of **chocolates** already! Please remember that we do not expect families to purchase the entire box alone, but sell on to families, friends, work colleagues and neighbours. There are several families who have returned their money and taken more boxes, which is fantastic for this fundraising event. Please also remember if you are having difficulty in selling the chocolates and wish to return the box with unsold chocolates, you are able to return the box to our office. We do not wish any family to feel obligated to participate in this event. All money raised from our fundraising will go towards our \$9000 contribution to the airconditioning for our new hall.

Our builders are in the final stages of preparations before the walls go up, the roof goes on and the windows go in! This means we will see another new stage of this building process, which will make a huge difference in the progress.

We have had many meetings with DET and I am very pleased to announce it is confirmed that our school will receive Stage 2 funding of \$2.7 M! The Architect Tender is now open for Stage 2 of our building project, which means we can begin the process of discussions of our Stage 2 building(s). We will continue to advise our community of the progress of Stage 2. Watch this space.....

Miss Jeffries has put a lot of effort into organising our Family Science Night tonight and we look forward to welcoming the many families who have paid for their entry. Students are eager to see what PrimeSci presents to our audience, but we are promised lots of excitement and hands-on experiments!

Thank you to the parents/grandparents who have volunteered some time to help out during our Athletics Carnival this Friday, being held at the Secondary College athletics track. A timetable of events is attached to this newsletter for any parents or family members who may wish to come along and support our students. Hopefully the weather will be kind to us.

Enjoy your week!
Lee Pollard

LIONS HEARING TESTS FOR CHILDREN 3½ to 6 YEARS OF AGE

Dear Parents,

Like many other Lions clubs across Victoria, Diamond Valley Lions Club is offering pre-schoolers and prep children (3½ - 6yrs) hearing tests as part of its community service program.

Students under supervision from Melbourne University's Audiology Department will carry out the play-based testing, and parents will be informed immediately and referred to their GP if hearing abnormalities are detected.

Early detection of hearing loss is critical for the development of normal speech and language skills. Statistics indicate that around 3% of children tested are found to have to have difficulties.

These tests are **FREE OF CHARGE**, and will be held between 8:45am & 4pm on

Saturday, 11th August, 2018 at Wattle Glen Primary School.

Parking is available on Reynolds Rd and Sunnyside Crescent. Entry to the school is on Sunnyside Crescent.

Testing can take up to 30 minutes, and a parent or guardian must be present.

To book, go to www.diamondvalley.vic.lions.org.au, click on 'Book Now!' on the home page, then click on 'Hearing Test' on the next page. If you have more than one child to test, and only one guardian, choose following appointment times with the same tester (eg 10am & 10:30am with Amy)

Contact Lions member **Fiona Kates 0404 180 772 / kateschiro@icloud.com** if you require further information or assistance with booking an appointment.
