24th – 28th September

(first week of school holidays)

School Closed – Asbestos removal and demolition of Canteen building

Download Compass (free) from App/Play store – essential communication tool

Bundoora Bulletin

From the Principal...

We're more than halfway through the term – can you believe it?

Our whole school enjoyed a full dress rehearsal last week in anticipation of our whole school production this Tuesday 28th August 2018. Thank you to the many families who ordered their concert tickets in time. We have finalised the allocation of concert tickets, which means tickets will be sent home tomorrow. Last week our students were photographed in class groups, in full concert costume, which have turned out brilliantly! These photos will be available for order in the coming weeks. Look out for the display of photographs in the foyer of the theatre. Our students will have one final full rehearsal on Tuesday, during the school day, at the venue. There are so many parents/carers to thank for their help in preparation of our concert and we are so very grateful to them. Special thanks will be given following our concert.

Arrangements for children on Concert night:

Students are to arrive at the Magis Performing Arts Centre, Loyola College, 325 Grimshaw Street, Watsonia, at 5.30pm on Tuesday 28th August. Students will go home with their facepaint/makeup already applied during the day at our all day rehearsal. Students are required to come to the venue on the night with their facepaint/makeup still applied. Please DO NOT wash off their facepaint/makeup until after the concert. When dropping off children please look out for our staff wearing hi-vis vests to direct children where to go. Costumes will already be at the venue so students only need to bring a drink bottle. Students will need to have their dinner at home before they come to the venue. Students are permitted to bring their own colouring-in items, books, or iPod/iPad/Electronic games to keep them entertained while they aren't onstage, but will do so AT THEIR OWN RISK. Bundoora Primary School will take no responsibility for these items. The production will begin at 6.30pm sharp. The performance should be finished by approximately 8.30pm when students will be sent backstage to collect their belongings and then be dismissed.

SPECIAL REMINDER: There are **NO CAMERAS, CAMERA PHONES, IPHONES or VIDEO RECORDING EQUIPMENT allowed to be used at the venue on the night.**

The venue staff have specified that they will remove anyone seen using any such equipment from the theatre on the night. Bundoora Primary School will have a professional video company filming the whole concert. Copies of the performance will be available for sale and order forms can be collected at our office.

Students have worked extremely hard on this concert, with a lot of fun and laughter during practice lessons, and are excited to perform to their family members.

It is absolutely imperative that ALL parents be using our Compass App now. ALL important information, including notices, permission forms (including excursion, canteen treat days, etc) will soon be sent out via Compass only. This means we are moving towards paperless communication between parents/carers and school. We have had so much positive feedback regarding Compass so **I urge all parents/carers who haven't already done so, to begin using Compass and familiarise themselves with this App.**

The **2018 Parent Opinion Survey** has been available for completion for two weeks and is due to be completed by Sunday 26th August. We have sent out a link (via email) to computer generated, randomly selected parents to complete the Parent Opinion Survey. Within the email are instructions on how to complete the survey, a brief explanation to assist parents in completing the survey, along with information regarding what the results of the survey are used for. Please note surveys are only sent to certain families, as generated by computer, so not all parents will be required to complete the survey. Surveys must be completed by 26th August 2018. If you have difficulty with the link please contact our office.

We provide our students with the skills to become confident and capable global citizens.

Thank you to the many families who have sent back the \$50.00 payment for their box of **chocolates**! We are hoping to wind up our Chocolate Drive by the end of August, so please send in your payment or unsold chocolates at your earliest convenience. Please remember that we do not expect families to purchase the entire box alone, but sell on to families, friends, work colleagues and neighbours. There are several families who have returned their money and taken more boxes, which is fantastic for this fundraising event. Please also remember if you are having difficulty in selling the chocolates and wish to return the box with unsold chocolates, you are able to return the box to our office. We do not wish any family to feel obligated to participate in this event. All money raised from our fundraising will go towards our \$9000 contribution to the air-conditioning for our new hall.

Our building is really taking shape now, with most of the brickwork completed. The internal wall framing is almost complete. Our construction team are confident that the building will be completed and ready for handover on 21st December – let's hope the weather is kind and the work progress will allow for this.

During the upcoming School Holidays the Canteen & storage sheds building will be demolished and prepared for a new basketball court to be installed.

That means that our school and its grounds **will be closed September 24th – September 28th (week one of the School Holidays) to allow for the removal of the asbestos and demolition of the canteen and sheds.**

To ensure our canteen services can continue, our Canteen Manager, Val Petrovski, will run the Canteen from the Palace. There will be a limited menu available throughout Term 4. The Term 4 menu will be available soon.

I am pleased to announce that Haskell Architects, the architect company involved in our Stage 1 building, were the successful applicants in the tender process for Stage 2 of our building project. Given that Haskell Architects are very familiar with our school and our vision, we expect the Stage 2 plans to be discussed and decided on in the coming weeks/months. Watch this space.....

Prep 2019 Enrolments being finalised

Do you have, or know someone who does have, a Prep-aged child who is starting school next year? Our Enrolments for Prep 2019 are now being finalised, as we are well into reviewing our class structures and placements for next year. We are preparing our Transition Information, which will be sent out by the end of this term. If you have, or know someone who has, a Prep-aged child for 2019 who has not yet enrolled into our school, please enrol as soon as possible.

Enjoy your week!
Lee Pollard

Father's Day Stall Friday 31 August

The Bundoora Primary Annual **Father's Day Stall** will be held on **Friday 31 August, 2018**. Please add the date to your calendar.

All classes will have the opportunity to visit the stall and purchase items for the special men in their lives. Gifts will range between 50c and \$5.00. The children should bring a shopping bag on the day to conceal their purchases until Father's Day!

We require some helpers to serve at the stall on the day, between around 9.00am and 1.00pm (or part thereof). It's lots of fun and your help will be greatly appreciated. Please call or visit the office if you can assist.

Thank you very much for your support!

Bundoora Primary Parents & Friends

Did you miss our recent Assembly?

Our assemblies are held each Monday morning to celebrate our student achievements and report important information to our community.

- School Concert Information

- Chocolate Drive
- Kindy Sport

- 2019 Prep School Tour
- Social Enterprise information

....and further reports from our Captains, House Captains reporting on their chosen Value of the week, Birthdays & our School Song.
