# Bundoora Bulletin

*From the Principal...*

While it may look like there hasn't been much happening on our building site this week, our site supervisor has advised that the steel has been prepared and cut and things should start progressing in the coming weeks. During the holidays parents can expect to see the steel frame being erected, which I'm sure our students will be excited to see as they return to school after the two week holiday break.

Our site supervisor continues to update us with progress and is happy with the way work is being done. We have a site meeting today to keep us updated on the progress.

Yesterday, while our students were on a Pupil Free Day, our teachers conducted Parent/Teacher/Student 3-Way interviews. This was a wonderful way for our students and teachers to celebrate their achievements and show their work to their family members. Thank you to all of our families who came along to hear the good things that our students are doing. I am very grateful to our staff for taking the time away from their personal lives for the evening to be available to meet with parents. As was advised, unfortunately Mr Kret was too ill to attend his interviews yesterday, but would welcome emails from parents to arrange another mutually convenient time. Please contact Mr Kret on [kret.daniel.d@edumail.vic.gov.au](mailto:kret.daniel.d@edumail.vic.gov.au) if you would like to arrange a meeting time. For any parents who were unable to meet with their child's teacher, I encourage you to contact them to arrange another time, also. Mrs Neilson and Mr Shelley will hold their interviews during week 2 of next term, on Tuesday 24<sup>th</sup> July. I encourage parents with children in these two classes to make their appointment time through Compass to meet their respective teachers.

Today our School Choir (Years 3-6) and Rock Band are attending **School of Rock**, being held at Melrose Receptions, Tullamarine. This is an awesome way for students to perform, to students and staff from other schools, and show off their musical talents. Mrs Newell has been rehearsing both our School Choir and Rock Band well, during lunchtimes and afterschool, which our groups have benefited greatly from. Thank you to Mrs Newell for coordinating this event and Mr Cass for attending.

We are grateful to Miss Jeffries for taking a group of our aspiring scientists to another two days of Women in STEM at RMIT, city campus. These experiences gave the students a chance to explore their inner STEM-beings, learning and discovering about the latest technology.

Although we are only coming to the end of Term 2, we have begun to discuss the laborious task of organising our class structures for 2019. I encourage any parent with a **2019 Prep child intending to enrol at our school**, to do so as soon as possible. This assists with our plans and preparations in looking at our structures for next year. Enrolment forms can be collected from our office or our website.

As we near the end of Term 2, I'd like to take this opportunity to thank all of our hardworking staff, students and our families for a wonderful term. When we look back on all that we've achieved this term, the list goes on and it's fantastic to see how much we offer our students. Our School Review has been completed after three gruelling months of preparation and three days of panel fieldwork here at school. We are grateful to our student focus groups, School Council President, and staff for their contributions. Please take care during the two week holiday break, enjoy the well deserved rest, spend time with your families, catch some sun (when it's out) and fresh air, and we will look forward to seeing everyone back refreshed for a big 'Concert filled' Term 3!

*Enjoy your holidays! Lee Pollard*

*We provide our students with the skills to become confident and capable global citizens.*

What's been happening in Wellbeing!

Last Thursday some of our students participated in a Bunnings Warehouse Do It Yourself activity at our school. Students did a wonderful job of creating their own keep safe pencil box by decorating it with paint, glue, glitter and stickers. The students took home their box filled with pencils and a ruler.

We enjoyed lots of laughs whilst battling the wind and finding paint in our hair when packing up! Laughing is contagious!

We would like to thank Bec from Bunnings Eltham for supporting our school's Wellbeing Program.

Student Wellbeing Officer
