Appendix C

Guidelines for teachers planning a camp

1. Introduction

Camps need to be planned well in advance and should relate to the curriculum being taught.

Students and their parents should be provided with information about the program's educational objectives, the nature of the activities, clothing requirements, the venue and costs well in advance.

Prior to single day excursions in which students leave the school grounds for the purpose of engaging in educational activities, the approval of the principal must be obtained.

School Council is responsible for the approval of:

- over night excursions
- camps
- interstate and overseas visits
- excursions requiring sea or air travel
- excursions involving weekends or vacations
- adventure activities

Before approving an excursion, consideration by the principal and/or School Council needs to include:

- the contribution of the activity to the School curriculum
- the adequacy of planning, preparation and organisation
- the provisions of the safety and welfare of students and staff
- the experience and competence of staff relative to the activities being undertaken
- the adequacy of student supervision
- the cost

A parent must provide written consent for their child to take part in an excursion. Parents asked to sign consent forms must be given sufficient information about the nature of the proposed activity, the risks involved and the degree of supervision.

Parental consent is required for the following reasons:

- to authorise the school to have the student in its care after normal school hours
- to authorise the school to take the student out of the school environment
- to alert the school to any medical condition or allergies of the student
- to authorise the school to consent to emergency treatment for the student
- for the parent to consent to any financial cost of the excursion

- for the parent to consent to the student being sent home in the event of any serious misbehaviour

Consent forms are to be taken on the excursion by the teacher in charge, and the designated school contact person should hold a list of participants, a copy of the consent forms and contacts in case of emergency.

In addition to any teachers employed by the DEECD or the School Council, excursion staff may include other adults on a volunteer or paid worker basis, such as parents, school services officers, community members, campsite staff and trainee teachers.

School uniforms **must** be worn on all school excursions except whenever specialised clothing is a requirement, e.g. snow trip.

Only students who display sensible and reliable behaviour at school will be taken on camps and excursions outside the school.

Sensible and reliable behaviour at camps and excursions will be expected at all times. ***Students can be sent home if their behaviour warrants a severe consequence.***

2. Planning

Forward planning takes into consideration whole school demands and must ensure that the normal school program is not consistently disrupted.

Planning should include:

- a clear aim
- costing – transport, admission, etc (the costing must be realistic in terms of the nature of the experience and the resultant learning outcomes)
- the opportunity for payment in advance, by instalments or lump sum payment may be offered to parents
- staffing needs
- pre-visit if venue is new/unknown
- consideration of children whose parents may not be able to meet costs
- excursion book maintained for evaluation of the camp/excursion for future planning
- excursion approval forms to be completed and handed in one week prior to the activity
- arrangements for covering camp staff classes while they are away from school

3. Preparation

Preparation for any activity should include:

- quotes for transport
- booking of transport
- confirmation time for departure and return
- informing specialist teachers, parent helpers, area coordinator

- informing parents attending activity on discipline procedures
- preliminary classroom activities
- collection of monies
- arrangement for school cheque
- medical information, precautions and First Aid kit
